HEAD COACH COMMENTS Brought to you by Jacuzzi® Elite Performance

I want to thank you, our members, for your dedicated support throughout 2021.

My first season in charge of this fantastic club has not been without its challenges, but I have relished every moment and we are more determined than ever to progress and improve.

Despite those challenges, in particular Covid-19, the support from our members has never wavered. You have demonstrated your passion, pride, loyalty and camaraderie, surpassing even my highest expectations when I arrived at the club. It is something you can only truly appreciate once you are part of it - it is infectious.

The fact is, our performances in the latter part of the season were not befitting of that support. I will not hide behind excuses, instead, I assure you that it is not acceptable to

who will add depth to our hooker position.

Kane Evans is probably our most highprofile recruit who adds another dimension to our front row at 6ft 6in, bringing valuable experience from the NRL as a proven international player and he will complement our existing pack options.

All three players will add to our group, alongside some key retention of the likes of Jake Connor, Chris Satae, Manu Ma'u, Josh Griffin and Adam Swift, amongst others. These are high-calibre players who are proud to represent the club and determined to help us progress. We must continue to strive to improve our standards and attitude as individuals and as a team as we embark on another exciting Super League season ahead.

As a group, we have spoken about our desire to improve our home form. I'm aware that

"YOU HAVE DEMONSTRATED YOUR PASSION, PRIDE, LOYALTY AND CAMARADERIE, SURPASSING EVEN MY HIGHEST EXPECTATIONS WHEN I ARRIVED AT THE CLUB. IT IS INFECTIOUS."

us and we are dedicating our time and energy to make the improvements required. Our vision is long-term, and it may require a little time and patience along the way to achieve our aims, but our hunger and determination to succeed has never been stronger. We want a team our supporters and our club can be proud of.

We have added new faces to our squad and coaching staff, and are continuing with exciting plans to enhance and improve our facilities at both senior and youth level. The very encouraging progress already made behind the scenes at our Centre of Excellence and development programmes is testament to that

Squad wise, we welcome England Knights winger Darnell McIntosh, who I believe is one of the brightest, young outside backs on the market who will add quality, pace and versatility to our back line, whilst similarly Joe Lovodua is another young, hungry, international player

the club has spoken about the MKM Stadium becoming our fortress in past years, but it is more important now than ever before after the pandemic. It's time for us to repay the loyalty of our most passionate and dedicated supporters who have stood by the club throughout this most challenging 18-months, for both the club and for many of our supporters too. We hope to deliver some memorable home performances to make that support worthwhile, it is something our members deserve.

Thanks again for your support, it really is appreciated.

Q: WHEN WILL MATCHES BE PLAYED?

Hull FC are aiming to play fixtures on weekend days in the 2022 season to make match days as accessible as possible for most people. However, some fixtures will still be played on other days and evenings, particularly those selected for television broadcast.

Q: IS THE MKM STADIUM SAFE?

During 2021 the MKM Stadium was awarded 'Fan Ready' status, meaning it is safe to attend after the Coronavirus pandemic. The club will also continue to take additional measures to ensure supporter safety.

Q: HOW DO I CLAIM MY EXTRA JUNIOR MEMBERSHIP FOR JUST £1?

Juniors who wish to claim an additional junior membership for just £1 when renewing can only do this when booking in person, by phone or by completing a renewal form and returning by post. This offer is not available online.

Q: WHO IS ELIGIBLE FOR A £1 JUNIOR MEMBERSHIP?

This is an exclusive benefit for existing junior and family members who are renewing from the 2021 season. Each junior or family membership can claim an additional junior membership for just £1 – but this can only be redeemed by a new member who has not been registered to Hull FC's membership database before. This offer is not transferable to other existing memberships.

Q: CAN I MOVE SEAT?

Supporters sitting in reserved areas can move to another unoccupied seat when they renew their membership. Reserved seats which aren't renewed or claimed duing the seat change period will be made available from 13th January 2022. The SMC will charge a £10 admin fee for seat changes made after this date.

Q: DO I NEED TO DO ANYTHING IF I'M ON THE ROLLING MONTHLY SUBSCRIPTION SERVICE?

Quite simply – no! If any of your details have changed let us know by emailing membership@hullfc.com, but other than that sit back and we'll do the rest.

Q: HOW LONG DO I HAVE TO RENEW?

2021 Members will have their seats saved until 5pm on Friday 7th January 2022. Renewing members will be eligible for their price freeze until 5pm on Friday 7th January.

Q: DO I KEEP MY CURRENT CARD OR DO I GET A NEW ONE FOR 2022?

All members who collected a new membership card for the 2021 season will keep their card for the 2022 season. The only supporters who will receive a new card next season are those who will change their pricing category (i.e. Adults to Seniors etc)

Q: I WANT TO GIVE A MEMBERSHIP FOR CHRISTMAS. IS THAT POSSIBLE?

We know that some people like to gift a membership as a Christmas present. You can email membership@hullfc.com and we will arrange a personalised gift certificate.

Q: CAN I RENEW IF I HAVE MISSED MY MONTHLY PAYMENTS?

Yes, you can still renew. However, members who have not brought their account up to date or agreed a payment plan with the club will not be allowed to attend fixtures at the MKM Stadium as their membership card may be suspended.

Q: WHAT DO I GET WITH A DIGITAL MEMBERSHIP

A digital membership is ideal if you can't make it to matches regularly or live abroad. Instead of tickets, you get access to our online TV service where you can watch full match replays of every game, plus all the additional perks

Renewing members must retain their membership card, as it will be needed to enter the MKM Stadium in 2022

The club recommends that all members insure their membership cards. Replacement cards will be issued with a surcharge of £10 per card. Hull FC reserves the right to refuse a replacement card at their discretion

A Season Membership includes 13 home Super League matches. It does not include Cup, Play-Off or friendly matches.

Dates, kick-off times and venues are subject to change at the competition and broadcasters' discretion. The Club reserves the right to reschedule, postpone or cancel any match without notice and without any liability whatsoever. No refunds for a whole or portion of a membership will be made.

Entry to fixtures is subject to ongoing Government guidelines. Hull FC will endeavor to ensure members are able to attend as many home fixtures as possible.

In the event that Government guidelines restrict access to matches, supporters purchasing a 2022 season membership do so on the understanding that the club may not be able to guarantee entry to fixtures in the 2022 season and there will be no compensation.

2021 Members who are due to move to a higher price category for the 2022 season will pay the relevant price for their age on 1st January 2022. They will pay the discounted renewing members price at that category.

Disabled and carer memberships are available. The criteria for disabled members to receive a free carer card is (a) Middle or Higher Rate Disability Living Allowance or (b) Enhanced Rate Personal Independence Payment.

If the member is not present at the game, the carer must purchase a standard match ticket. Under 5s may attend games for free, but still require a ticket or membership card.

A family membership applies to two adults and two juniors. Additional junior memberships are available to connect to a family membership for £50 per junior in the Family Zone.

The club intends to deliver priority access to tickets and/or discounts for cup and playoff matches where possible, but we cannot guarantee every member will get their preferred seat. Some matches, venues and pricing are not controlled solely by Hull FC.

New pay monthly applications include a £15 one-off setup fee. This fee helps cover all associated administration costs incurred by the club to process an ongoing monthly membership direct debit scheme.

Hull FC matches will primarily be played on weekend afternoons, although some games will be selected for other days. This is subject to competition and broadcast requirements.

Only one member can claim a free birthday hospitality place per visit. Additional places can be purchased at match day prices, whilst additional members can book for normal member upgrade prices.

Normal member restaurant upgrade is charged at £50 per person.

Payment and completion of your application for a membership is taken as confirmation that you understand and abide by our terms and conditions.

Hull FC reserve the right to update or amend membership terms and conditions. The most up to date version of membership terms and conditions can be found at www. hullfc.com.
